

DESIGNATION OF PROFESSIONAL ENGINEER

REF: Section 4.4 A 11, Navajo County Subdivision Regulations and Requirements.

Name of Subdivision: _____

Developer/Owner's Name: _____

{Include other identification information if needed}

{Include or delete the items in parentheses as appropriate}

The undersigned Developer hereby notifies the Navajo County Engineer that the Professional Engineer whose signature and seal appear below will provide the Certification of Completed Improvements and Inspection pursuant to Sections 7.6 and 8.11(b) of the Navajo County Subdivision Regulations and Requirements. "As Built" drawings will be certified by the designated Engineer (or designated Land Surveyor whose signature and seal also appear below).

The Developer hereby certifies that the designated Engineer (and Surveyor) have explained the requirements of Title 32, Chapter 1 of the Arizona Revised Statutes and Title 4, Chapter 30 of the Arizona Administrative Code for direct supervision by a registrant. The Developer hereby warrants that all construction of these improvements shall be performed under the direction and supervision of the designated Engineer.

The Developer will immediately notify the Navajo County Engineer if the designated Engineer is changed. Developer acknowledges that Navajo County may order work to cease if no Registrant is designated and working on the project.

By signing and sealing this Designation, each Registrant acknowledges that he/she will be a designated registrant, will be the single point of contact for design or construction changes, and will notify the Navajo County Engineer immediately if this Designation is terminated.
